Help Promote Mental Health Awareness

Speak Out for Mental Health

- Civic and Service Organizations
- Churches
- Chambers of Commerce
- Radio and Television.

Discussion Topics:

- Mental health and substance abuse issues;
- How SCDMH is working to eliminate stigma associated with mental illness;
- How taxpayers' funds are used to help people recover and lead productive, meaningful lives;
- Treatment works and recovery is real.

If you have access to an organization that may invite us to make a presentation
